The Kraken

Warlock Otherwordly Patron

Your patron is a legendary leviathan, a titan of the seas who is ancient beyond reckoning. Krakens are bent on the destruction of civilization, and you are no exception. Krakens who forge pacts are usually worshiped as gods by a congregation or cult. Their powerful telepathic abilities allow them to reach into the minds of their faithful and speak to them.

The creature must make a Dexterity saving throw, taking 1d4 bludgeoning damage on a failed save or half as much on a successful one.

This feature's damage increases by 1d4 when you reach certain levels in this class: 5th level (2d4), 7th level (3d4), 10th level (4d4), 13th level (5d4), 16th level (6d4), and 19th level (7d4).

Once you use this feature, you can't use it again until you finish a short or long rest.

Primordial Deterrence

Starting at 10th level, your worst fears become an inconvenience. You are immune to being frightened. Additionally, you have advantage on any ability check you make to escape being grappled or restrained.

From the Depths
